External Reviewers

The Task Force would like to extend its gratitude to the following experts who reviewed the standards from various lenses:

- Dr. Gay Clement-Atkinson, University of South Carolina School of Medicine (Inclusion of children of differing abilities)
- Dr. Doris Blazer, Professor Emeritus Furman University (Early childhood education)
- Dr. M. Evelyn Fields, South Carolina State University (Diversity)
- Dr. Herman Knopf, University of South Carolina (Early childhood education)

Draft
August 2005

The South Carolina Early Learning Standards were created in compliance with NO CHILD LEFT BEHIND legislation in a collaborative partnership between South Carolina Department of Education, South Carolina Department of Social Services, Head Start Collaboration Office, and the South Carolina First Steps to School Readiness. They were written to align with the existing South Carolina Department of Education Standards for grades 4K through twelve and the Head Start Performance Standards.
